25 years after my father passed away i came across a draft of a book he started my editing  
and publishing leaves much of the original text intact and only clarifies or adds informative  
detail where necessary i was proud and honoured to take this up where my father left off many  
books have been written about the canadian sailors who fought in world war ii in ships and the  
airmen who flew against the enemy in the sky but there have not been many books written  
about the young canadians who engaged the enemy in tanks apart from regimental histories  
their brave story is rarely told this book is an attempt to remedy that by telling the experience  
of a young boy becoming a man as a canadian grenadier guard away from home in england  
4th canadian armoured division 22nd canadian armoured regiment 22car black white large  
page edition

the latest histoire collections book depicts the british army from normandy to ve day in

unprecedented detail because of the extensive coverage of armored vehicles this volume will prove to be especially useful to modelers and dioramists over 600 color illustrations including wartime photos detail shots of original items and plates covering camouflage and markings
