

you know his name you trust his work now david myers brings you a textbook that speaks to all students regardless of their background or level of preparedness known as myers no assumptions text this book strives to make the vocabulary examples and presentations accessible to all students this briefer more colorful visually stirring text offers rich presentations of psychology's core concepts and research examined through the everyday lives of diverse people and like all david myers books the storyteller's voice is distinctive and for this edition of psychology in everyday life dr myers introduces something completely new never before found in a myers text a coauthor

announcing a new myers dewall text created specifically for the fall 2019 ap course framework you are likely familiar with the name dr david g myers now he and his new co author nathan dewall bring you a book that will allow you to use college board's new personal progress checks and dashboard more effectively this updated edition includes 100% of the new course content in the new nine unit structure all teacher and student resources will also be updated to correlate to the new student edition this includes the te trfd tb strive and launchpad everything will publish in summer 2020 such that you can use this new program for fall 2020 classes if you're not familiar with myers dewall texts you are in for a treat drs myers and dewall share a passion for the teaching of psychological science through wit humor and the telling of poignant personal stories individually identified in the text by the use of each author's initials dm and nd through close collaboration these authors produce a unified voice that will teach illuminate and inspire your ap students

thus begins market leading author david myers discussion of developmental psychology in unit 9 of his new myers psychology for ap second edition with an undeniable gift for writing dr myers will lead your students on a guided tour of psychological science and poignant personal stories dr myers teaches illuminates and inspires four years ago we published this ground breaking text which is correlated directly to the ap course today we build on that innovation and proudly introduce the 2nd ap edition whether you are new to ap psychology or have many years under your belt this uniquely ap book program can help you achieve more

david myers bestselling psychology has reached a wider audience of students and instructors with each new edition myers and his team lead the field in being attuned to psychology's

research and the needs of the instructors and students in the course today ten million student class testers and thousands of adopting instructors can attest to the quality of this project true to form this landmark new tenth edition is another vigorous deeply considered revision dsm 5 updates available for fall 2014 classes this update version features new content from david myers in response to the release of the dsm 5 this new content is integrated into the text without changing pagination or the structure of the chapters a special dsm 5 supplement by the david myers is available for fall 2013 and spring and summer 2014 courses view the page referenced guide to the dsm 5 updates for psychology watch our new videos from david myers here including our animation on the testing effect narrated by david myers

each chapter is a gem of insight into the human experience cut and polished to perfection by the renowned psychologist david myers better than any book i can recall this book answers questions about why we think feel and act as we do but also makes us curious to learn more angela duckworth a delightful tour of the wonders of our humanity from david g myers the award winning professor and author of psychology s bestselling textbook over the past three decades millions of students have learned about psychology from textbooks by david g myers to create these books and to satisfy his own endless curiosity about the human mind myers monitors the leading journals to discover the most extraordinary developments in psychological science how do we know ourselves is a compendium of the most wondrous verities that myers has found revealing thought provoking insights into our everyday lives his astute observations and sharp witted wisdom enable readers to think smarter and live happier myers s subjects range from why we so often fear the wrong things to how simply going for a walk with someone can increase rapport and empathy he reveals why we repeatedly mishear song lyrics and how the color of president obama s suits aided in his decision making myers also explores the powers and perils of our intuition explaining why anything can seem obvious once it happens these forty essays offer fresh insight into our sometimes bewildering but ever fascinating lives myers is engaging and intellectually provocative and he brings a wealth of knowledge from more than fifty years of teaching and writing about psychology to this lively and informative collection he inspires us to ponder timeless questions including what might be the most intriguing one of all how do we know ourselves

dsm 5 updates available for fall 2014 classes this update version features new content from

David Myers in response to the release of the DSM 5 this new content is integrated into the text without changing pagination or the structure of the chapters. A special DSM 5 supplement by David Myers is available for fall 2013 and spring and summer 2014 courses. View the page referenced guide to the DSM 5 updates for exploring psychology in modules.

This edition contains the following changes: hundreds of new research citations representing the most exciting and important new discoveries in our field; organizational changes based on changes in the field, for example, the heavily revised consciousness modules now follow the neuroscience modules and are titled *Consciousness* and *The Two Track Mind* to reflect the dual processing and cognitive neuroscience themes; fine-tuned writing with countless small and large improvements in the way concepts are presented, supported by the input and creative ideas of hundreds of contributing instructors, students, and friends; a sharp new art program that teaches more effectively; continually improving coverage of cultural and gender diversity issues.

You are likely familiar with the name Dr. David G. Myers. Now he and his new co-author Nathan Dewall bring you a book that will allow you to use College Board's new Personal Progress Checks and Dashboard more effectively. This updated edition includes 100% of the new course content in the new nine-unit structure. All teacher and student resources will also be updated to correlate to the new student edition. This includes the *Teach*, *Try*, *Strive*, and *Launchpad*. Everything will publish in summer 2020 such that you can use this new program for fall 2020 classes. If you're not familiar with Myers and Dewall texts, you are in for a treat. Drs. Myers and Dewall share a passion for the teaching of psychological science through wit, humor, and the telling of poignant personal stories individually identified in the text by the use of each author's initials, DM and ND. Through close collaboration, these authors produce a unified voice that will teach, illuminate, and inspire your AP students.

The new edition of *Exploring Psychology* offers outstanding currency on the research practice and teaching of psychology. Myers and Dewall inspire students with fascinating findings and applications, effective new study tools and technologies, and a compassionate and compelling storytelling voice. Their presentation is based on the same guiding principles behind the entire family of textbooks that have made David Myers the world's bestselling introductory psychology author: facilitate learning by teaching critical thinking and helping students at every step present

psychology as a science emphasizing the process of inquiry and putting facts in the service of concepts make sure students come away with an appreciation of psychology's big ideas and with a deeper respect for humanity what drives us distinguishes us unifies us this exploring psychology is the first to include myers handpicked co author nathan dewall shares myers belief that instilling a sense of curiosity and inquiry about psychological science is an effective way to help students navigate the content think critically and prepare for a lifetime of learning and living the extraordinary longtime myers ancillary author team is also here a group whose teamwork consistency and commitment again sets the industry standard for instructor and student supplements

David Myers' new partnership with coauthor Nathan Dewall matches two dedicated educators and scholars each passionate about teaching psychological science through writing and interactive media with this new edition of the #1 bestselling psychology Myers and Dewall take full advantage of what an integrated text/media learning combination can do new features move students from reading the chapter to actively learning online how would you know puts students in the role of scientific researcher and includes tutorials on key research design principles assess your strengths self tests help students learn a little more about themselves and include tips about nurturing key strengths these and other innovations rest on the same foundations that have always distinguished a new David Myers edition exhaustive updating hundreds of new citations captivating writing and the merging of rigorous science with a broad human perspective that engages both the mind and heart

thus begins market leading author David Myers' discussion of developmental psychology in unit 9 of his new Myers Psychology for AP, second edition with an undeniable gift for writing Dr. Myers will lead your students on a guided tour of psychological science and poignant personal stories Dr. Myers teaches illuminates and inspires four years ago we published this ground breaking text which is correlated directly to the AP course today we build on that innovation and proudly introduce the 2nd AP edition whether you are new to AP Psychology or have many years under your belt this uniquely AP book program can help you achieve more
